### Intended Itinerary

#### Day 1: Livingstone, Zambia – Chobe National Park, Botswana

**Distance travelled: +/- 90km**

**Approx driving time: Short distance**

From Livingstone we travel the short distance for an exciting ferry crossing from Zambia into Botswana over the confluence of the Chobe and Zambezi Rivers. We arrive in the small town of Kasane, where we check in at this river side lodge. After a lunch break you have free time to relax around the pool or take the opportunity to board an optional open 4x4 safari vehicle in search of lion, leopard, hyena, elephant, giraffe and a host of antelope and bird species while snaking our way through the sandy tracks and rugged terrain. Chobe National Park was the first national park to be established in Botswana and by size; it is the third largest park in the country. The Chobe River is one of Africa's most beautiful and supports a huge concentration of animals. Later in the afternoon we join an exciting river boat cruise giving us a unique and in-depth perspective of life on the banks of the Chobe River scattered with wildlife seeking water as night falls. Happy and content, we relax for the night under the African skies on the banks of the Chobe River.

**Wow Factors:** Chobe River sunset river cruise, optional open game drive in Chobe.

**Accommodation:** Thebe Safari Lodge or similar (Twin share cabins with en-suite facilities)

**Meals included:** Dinner

#### Day 2: Chobe National Park – Gweta / Makgadikgadi Pans

**Distance travelled: +/- 450km**

**Approx driving time: Half day**

Following an early morning breakfast, we begin an easy paced drive towards Gweta, the gateway to the massive Makgadikgadi Pans. Driving south we might be lucky to encounter huge elephant and buffalo alongside the road as there are no fences in this area to let the migratory herds walk at will in search of richer pastures and water. We stop in Nata for lunch or snack before arriving in Gweta where you have the option to relax at the lodge or explore the vast Salt Pans by hiring a 4x4 safari or quad bike tour. At certain times of the year the Makgadikgadi pans are known for its thousands of pink Flamingos indigenous to the area. The night is spent at this magnificent lodge where we enjoy a hearty meal.

**Wow Factors:** Rural Botswana, Local Villages, roaming wildlife, options to visit the Makgadikgadi Pans.

### Day 4: Maun –Okavango Delta

**Distance travelled:** +/-60km

**Approx driving time:** Two Hours

With bags and food supplies packed, sun screen and hats on hand we climb into our 4x4 vehicle ready to unearth the wonders of the Okavango Delta. This beautiful region is a natural wetland system spreading over some 1.6 million hectares of northern Botswana resulting from rivers that flow south from Angola, and dividing repeatedly on the flat Botswana plains to form an intricate floodplain of channels and an inland 'delta', the only one of its kind in the world. After a slow drive along rugged windy tracks, we cross the 'Buffalo' fence exposing us to untamed Africa. Finding the water's edge we meet our local guides, familiar and trained in the region, we board their mokoro's (dugout canoes) and are gently 'poled' out onto the narrow flat waterway. Gliding over glistening ponds while weaving through the dense green bulrushes and beautiful wild lilies, we set up a bush camp under shade setting down for lunch. The afternoon is spent either on a bush walk with our local guides, viewing hippo from your mokoro or simply taking some restful time out. The evening is enjoyed around the campfire with a little entertainment from the local guides as they sing us traditional Tswana songs.

**Wow Factors:** *Okavango Delta, mokoro excursion, bushwalk, swimming, Island camping*

**Accommodation:** *Tented mobile camp en suite – Twin share accommodation*

**Meals included:** *Breakfast, Lunch, Dinner*

### Day 5: Okavango Delta – Maun

**Distance Travelled +/-60km**

**Approx driving Time: Two Hours**

After a morning bush walk followed by a light breakfast, we pack up our gear onto our mokoro's, leaving nothing behind but footprints. Satisfied, we glide over the still waterways returning to the polers' station where our 4x4 tracker awaits us and our

polers bid us farewell. Crossing the buffalo fence back to civilization we enjoy the luxury of hot showers once again and have lunch. This afternoon feeling revitalized and refreshed we have the opportunity to join the guide for a trip into town and explore the shopping area and little market stalls scattered around the CBD. Another popular activity is a flight over the 'Delta' to get a bird's eye view of the vast wilderness you explored by boat and foot. When you see the vastness of the surroundings from the air you gain another appreciation of the beauty of the Okavango. We return to camp, enjoy a swim, and prepare a wholesome dinner ending the night under the stars with the distinct scent of wild sage in the air.

**Wow Factors:** *Okavango Delta, mokoro excursion, bushwalk, swimming, Maun*

**Accommodation:** Sitatunga Safari Camp or similar (*Twin share cabins with en-suite facilities*)

**Meals included:** *Breakfast, Lunch, Dinner*

### Day 6: Maun – Khama Rhino Sanctuary – Serowe Hotel

**Distance travelled:** +/-530km

**Approx driving time: Full day**

An early rise and shine call followed with a satisfying breakfast, we leave Maun travelling through the greater Kalahari region via Mopipi, seeing vast salt pans in the distance. Although a very enjoyable and scenic route, Mopipi has a very small population and is known as the least visited place in Botswana. We arrive at the Khama Rhino Sanctuary in the early afternoon. In 1989 a group of locals wished to convert the Serowe Pan, previously a hunting area, into a conservation region for the rhino that inhabit the area. The 'Pan' was chosen because of its 'rhino-friendly' habitat and its proximity to a Botswana Defence Force base which can provide 24 hour protection. Located on the edge of the vast Kalahari Desert, Khama is a prime habitat for white rhino, zebra, wildebeest and giraffe. Khama is a community based wildlife project which benefits the local community and teaches and educates the importance of conserving these animals. This afternoon we enjoy an open game drive with local rangers, taking in an abundance of interesting facts from rhino to fauna and flora. Our last night on safari, is spent at a nearby hotel, swapping stories and laughter with our last meal as a group.

**Wow Factors:** *Kalahari Desert fringes, Khama Rhino Sanctuary, open vehicle game drive*

Africa, we enjoy the scenic views noticing the changes of vegetation, infrastructure and populated civilization. Travelling via Mokopane for a lunch break, we drive into Gauteng province, arriving in Johannesburg in the late afternoon where our adventurous tour ends.

Pack a light rain jacket. It is advisable to bring mosquito spray throughout the year. Bring a towel and a pillow if required. A money belt/pouch that can be worn comfortably beneath your clothing is recommended. Please avoid bringing unnecessary valuables and use hotel safe to store your cash, passport and air tickets.
